Pembroke and District Infirmary.

REPORT FOR 1926.

BY THE COMMITTEE

THE Committee of the Infirmary have pleasure in presenting the Sixty-fourth Annual Report to the Subscribers :

During the year 43 In-Patients were admitted, an increase of 20 over last year. There were also 19 Out-Patients treated, a decrease of 2 under last year.

The Committee regret very much to report that there were 3 deaths; these cases were of a hopeless type when admitted, the remainder were either cured or much benefited.

Several cases required a night nurse. This was the cause of a considerable increase in expenditure.

The Committee tender their thanks to the Medical Staff, to the Matron and her Staff, and to Nurse Owen for voluntary help.

The Committee's thanks are given to the Trustees of Dr. Jones' Charity, the Board of Guardians and the Post Office Staff for Special Donations, and for gifts in kind from Lady Meyrick, Lady Philipps, Miss H. Williams, Miss Pratt, Mrs. Wynne, Miss Shepard, Mrs. Skinner, Mrs. Allen, Mrs. A. D. Gilbertson, Mrs. Hall Roberts, Mrs. Davies, Mrs. Hugh Allen, Monkton Church, Mrs. James, the Baptist Church, Mrs. Ashley, Mrs. Thomas, Mrs. Burleigh Leach, Nash Parish Church, Jameston Mission Hall, Manorbier Church, St. Mary's Church (Pembroke), Warren Church, Hundleton Church, St. Petrox Church, Rev. Evans (Monkton), Mrs. T. W. Colley, Mrs. T. Hall, Miss Morris (Main Street), the Pembroke Lawn Tennis Club, Mrs. Owen, Mrs. Mabe, Miss Mackenzie, Patients and Friends of patients for gifts in kind, and for Artisan's work done to the structure of the Infirmary.

The special thanks of the Committee are given to Messrs. Studt & Son and to the Showmans' Guild for once again giving their Fair Benefit, unfortunately spoilt by rain, also to the kind organizers of the Bosherston Concert, the Monkton Parish Church Organ Recital, and of the Cricket and Football Matches. The finances of the Infirmary show a large deficit on the year's working due to the increase of the Hospital's work and consequent extra expenses and to the general depression. Had it not been for the above assistance the work of the Infirmary could not have been carried on.

The Committee recommend that the following changes be made in the Rules :—

“ That all Patients should pay not less than a sum of £0 3s. 6d. per week and not more than £2 2s. 0d (unless they wish to do so), that shall be collected from them while in the Infirmary.”

“ That the system of Admission by Ticket be abolished and replaced by a system of payments on a sliding scale as suggested in the preceding paragraph.”

The Committee also wish to report that there is no Linen Guild in connection with the Infirmary and a special collection has to be made every year to provide linen. £6 was raised this year by Lady Philipps for this purpose.

MARGUERITE E WYNNE,
Chairman of the Committee.
